

## **SWEEP ENROLLMENT FORM**

Enrolling in a Sweep may save you the embarrassment of bounced checks and help you avoid overdrafts. Whenever your checking account requires more money in order to cover a check, we will automatically "sweep" the necessary funds into that account from another deposit account you designate. Money will be transferred in increments of \$1 to cover the overdrafts. A \$5 fee will be charged automatically to your checking account with each transfer.
