

BUSINESS NETTELLER CASH MANAGEMENT

WHAT IS CASH MANAGEMENT?

You are in full control of your business's money with our online banking program called NetTeller Cash Management. Take advantage of Bill Pay, which gives you the ability to pay most of your bills in one convenient location right through your NetTeller account, for free! No more logging into each of your bill's individual websites. Or find out how easy it is to use Pay a Person. Our Premium Package includes features like initiating Wire Transfers online and ACH Origination. Plus, you can print statements, view check images, make loan payments, and much more!

WHAT'S RIGHT FOR MY BUSINESS?

By offering different packages of service and pricing, we can accommodate both the sole proprietor who just wants to access account information and the large corporation looking to streamline operations.

FREE STANDARD PACKAGE

Small businesses will appreciate the convenient features of the Standard NetTeller Cash Management Package with no monthly fees. With it you will be able to:

- View any of your Champlain National Bank deposit and loan accounts
- Transfer funds among Champlain National Bank accounts and make loan payments
- Pay bills and people
- View and download your statements
- View and print check images
- Initiate Stop Payments (regular fee applies)
- Download account information into money management software
- Transfer funds from a line of credit to your checking account

PREMIUM PACKAGE

Premium NetTeller Cash Management service is for those businesses that use Wire and ACH capabilities as vital parts of their daily operations. For a low monthly fee of \$20 you will be able to benefit from ALL the features of the Standard NetTeller Cash Management package plus:

- Initiate Wire Transfers to anywhere in the US from the convenience of your computer. Regular wire fees apply.
- Initiate and maintain ACH transaction files online. You can originate ACH files, both credit and debit, to accommodate such functions as direct deposit of payroll and collection of receivables. Regular ACH fees apply.

BILL PAY

Bill Pay allows you to pay virtually anyone or any company through online banking. You determine who you want to pay, when you want to make the payment, and which account you want to use. For example, you can pay utilities, bills, or individuals such as a landlord, babysitter, or relative. You will also be able to send gift checks, and get helpful text alerts and payment reminders. We'll even keep a record for you of 18 months of payment activity.

SAFE AND SECURE

Your account's security is enhanced with restricted access codes and unique ID numbers and PINs for each user. A Cash Management Administrator selected by you will have the ability to control which employees can log in to perform which functions. In addition, all transactions are sent in secure encrypted form for maximum security.

HOW DO I SIGN UP?

You can sign up by completing the Enrollment Form on the back, and then returning it to the nearest Champlain National Bank branch. You can also mail it to us. Be sure to complete the Administrator section since this person will be the one who has access to NetTeller Cash Management. Soon, you'll receive a letter in the mail that will guide you through your first log in.
